

acia

The Catalan Association
for Artificial Intelligence

www.acia.org

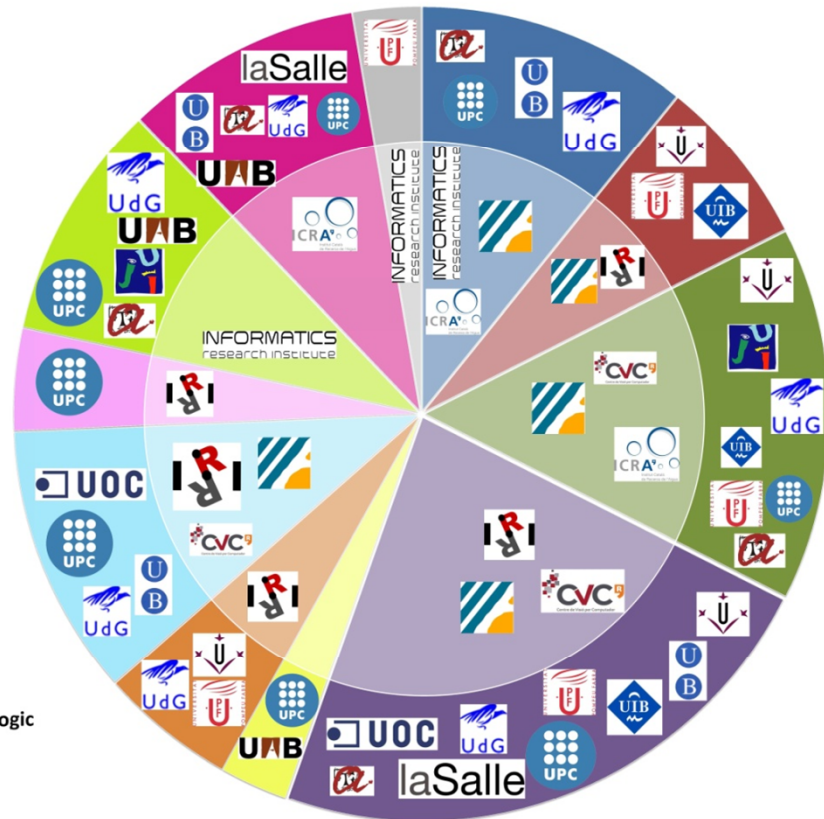

- ACIA was created on 1994.
- It promotes the research on Artificial Intelligence in the Catalan territories.
- ACIA has 200 members:
 - Companies
 - Universities
 - Research institutes
- ACIA welcomes you at the annual “International ACIA conference”, with proceedings available at IOS Press.

acia

Catalan Association for Artificial Intelligence

www.acia.org

- Bioinformatics
- Intelligent Decision Support Systems
- Web and Knowledge-based Systems
- Soft Computing
- Robotics and Vision
- Planning and Scheduling
- Natural-language processing
- Machine Learning
- Knowledge representation, Reasoning and Logic
- Constraints, Satisfiability and Search
- Agent and Multi-agent Systems
